RESIDENTS INVITED TO LEARN HOW TO TRACK ANIMALS AT COUNTY PARK

Monroe County Executive Jack Doyle invites all residents to learn the art of animal tracking by participating in an outdoor hike through scenic Black Creek Park on Sunday, January 30, 2000. Led by a park nature interpreter, participants will meet at the Woodside Lodge at 9:00 a.m. and should dress appropriately for winter weather conditions.

"This hike is a great way for families to get some exercise, enjoy the fresh air and learn about the wildlife in Black Creek Park," said Doyle.

The tracking hike is designed for adults and youth ages 10 and over. The fee is \$2.00 for individuals and \$6.00 for families. Black Creek Park is located in the town of Chili, off Union Street, one mile from Interstate 490. To register, call (716) 334-3780.
